

Dear Parents/Carers,

Thank you for your prompt reply. Children will leave class at 3.00, change, go to the toilet and eat a small snack before leaving school at 3.15. Details regarding how to reach the venue and how hour child will be getting to the event are listed below.

St Mary's Island School ME4 3ST

1. Make you way to the A2 and head London bound
2. At the roundabout turn right into Ito Way and follow this to the end.
3. Turn left onto the lower Rainham Road (Pier Road)
4. At a large round about turn right into Maritime Way
5. When you cross the bridge at the roundabout turn left and follow the road round to the school.
6. Parking is limited so we may need to park in the road outside the school.

On arrival, we will meet on the field by the finish line and then the athletes will all walk the course together as it sometimes changes.

The girl's race is first and this is followed by the boys. Both races should be finished by approximately 4.30 (this depends on the prompt arrival of schools and the speed of the children).

May I once again thank the parents and grandparents assisting with transport.
Miss Edgley
