

Dear Parents/Carers,

The procedure for this race is the same as the last one. Children will leave class at 3.00, change, go to the toilet and eat a small snack before leaving school at 3.15. Details regarding how to reach the venue and how your child will be getting to the event are listed below.

Kingfisher School is situated in Kingfisher Drive, just off North Dane way.

1. Go past Hempstead Valley, and Luton Recreation Ground
2. Turn left into North Dane way
3. At the roundabout turn right into Princes Avenue.
4. Take the second right into Kingfisher Drive
5. Parking is limited so we may need to park in the road outside the school.

On arrival, we will meet on the field by play equipment (please do not let your children use this as they have not been shown how to do so safely and they need to save their energy for the race).

The girl's race is first and this is followed by the boys. Both races should be finished by approximately 4.30 (this depends on the prompt arrival of schools and the speed of the children).

May I once again thank the parents and grandparents assisting with transport.
Miss Edgley
