

RAZZAMATAZ

THEATRE SCHOOLS

Dear Parent / Guardian,

We are delighted to be working with Parkwood Infant and Junior School this term to offer pupils an after school dance club. Razzamataz Theatre Schools offer weekly classes in musical theatre, commercial dance, pop singing, street dance, drama, physical theatre and much more. We believe that children who take part in the arts and theatre activities stand to gain confidence and social skills as well as helping to contribute towards weekly exercise. We are excited to be working with your school to bring a little bit of 'Razzamataz' to the students of Parkwood! Our weekly sessions in the first term will primarily focus on commercial dance, starting with a warm up, learning moves similar to those of the backing dancers on the X Factor (all age appropriate) and putting them to funky beats!

Please find details below about this exciting course:

When: Tuesday evenings after school from 15:30 – 16:30

Course Duration: 5 Weeks

Course Dates: Tuesday 15th November until Tuesday 13th December

Available to: Years 1-6 initially (Foundation Stage later in the year)

How much is the 5 week course: £25 (£5.00 per week)

Does my child have to have had previous dance training or experience?: Not at all! Razzamataz is a fully inclusion theatre school, our aim is to build confidence, increase physical fitness levels and self esteem through learning about the performing arts, all whilst having fun!

What will my child need to wear?: Children can wear something comfortable, such as leggings / jogging trousers and a T Shirt and school plimsols, trainers or jazz shoes.

What does my child need to bring? A drink, a smile and bags of energy!

Please register your interest for this afterschool club by **Tuesday 8th November** by giving the school office your child's full name. We will then confirm the exact start date with you as soon as we understand the level of interest.

If you have any questions by all means please speak to the school office where will be happy to answer your queries.

We hope your child will want to join us in this new, exciting, and fun dance course!

Kind regards

Hayley
