**Year 6**  
**Family Tree Homework**  
**Isle of Wight Reminder**

Dear Parents and Carers,

**Family Tree Homework**

We wanted to send a quick thank you note to you and your children for the amazing "Family Tree" homework projects we have received this week. It is clear that a great deal of thought, enjoyment, time and care has gone into these and we have greatly enjoyed giving verbal feedback to the children, sharing them as a class so that they can comment on and be inspired by each other's work and taking photographs, some of which will be later displayed on the new school website.

It was wonderful to hear children saying what they enjoyed doing the most about the project and hearing about their conversations with different family members. It is wonderful to have involved so many different people to research such an important and personal topic and we hope that your children have produced something you will treasure for many years to come.

Some of the children have asked for their work to be displayed in school for other members of staff and children to see and this will of course be returned afterwards.

**Isle of Wight Reminder**

As stated on the last Year 6 newsletter, the Isle of Wight talk is on **Thursday 13th October at 6pm** (for Parents and Carers only). We look forward to meeting you and showing what a wonderful opportunity this residential is.

Best wishes,

*Mrs Getting, Mr Wintle and Mrs Farley*  
*(The Year 6 team)*
