

Dear Parents and Carers,

Foundation Stage will be celebrating World Nursery Rhyme Week the week beginning 13th November. Nursery rhymes play an important role in the development of children's language and communication skills, therefore we will be taking part in a range of fun activities based around some well-loved nursery rhymes.

On **Friday 17th November**, we ask that your child comes to school dressed up as their favourite nursery rhyme character! If you need inspiration, visit the BBC website below which provides a large collection of animated nursery rhymes for you to share and enjoy with your child.

Many thanks for your continued cooperation.
